

H2O SALON PATNA

Mobile-Friendly Instagram Content Proposal

Prepared on 2026-05-31

Scope

- 8 reels
- 4 barter collabs
- stories
- script + hooks

Objective

Support H2O Salon Patna with a focused Instagram content package using salon-provided clips, hook writing, script writing, reel editing, and story content to make the page look more premium and mobile-friendly.

Deliverables

8 edited reels, 4 barter collaborations, and story content.

Inputs

All video clips will be provided by the salon.

Creative Work

We write the script, build the hooks, and edit the reels.

Story Focus

Stories will support daily visibility, offers, updates, and behind-the-scenes content.

What this proposal includes

- A clear reel production workflow using salon footage only.
- A hook-first script structure for stronger watch time.
- A premium mobile-first visual tone for each reel.
- A story content layer for daily visibility and updates.

1. Scope Summary

Deliverables

8 reels, 4 barter collaborations, and story content.

Editing Workflow

Salon provides the clips, we shape the final reel.

Creative Work

We write the script, build the hooks, and edit the reel.

Story Layer

Stories support daily visibility, updates, and behind-the-scenes content.

2. Reel Plan

Reel 1-2

Hero bridal transformation and hair makeover.

Reel 3-4

Hair spa, keratin, or treatment process reels.

Reel 5-6

Party makeup and client reaction reels.

Reel 7-8

Men's grooming, ambience, or service trust reels.

Editing Workflow

- 1. Salon shares raw clips
- 2. We select the strongest moments
- 3. We write the hook and short script
- 4. We edit with pacing, text, and music
- 5. Final reel is delivered for posting

3. Creative Notes

- 1 Use short hooks that work on mobile and in the first 2 seconds.
- 2 Keep text overlays minimal so the reel feels premium, not crowded.
- 3 Focus on transformation, detail shots, and client reaction moments.
- 4 Use local Patna keywords in captions and location tags for discovery.
- 5 Reserve barter collabs for creators who match the salon audience.

Recommended next step

Turn this into the final production proposal and share it as the working scope for the reel and story package.
